SAA's Annual Parent and Constituency Meeting

Thursday, May 16, 6:30 pm

You are all invited to the annual SAA Constituency Meeting to hear reports from Mr. Fautheree, teachers, Todd Burger (Board Chair), and others, on current and future projects, and vote on next year's budget.

A black and white poster for the 'Reach for the Stars' reading incentive program. The background is dark with many small stars. The title 'REACH!! FOR THE STARS' is written in a large, stylized, hand-drawn font. Below it, 'A Reading Incentive Program' is written in a smaller, clean font. To the left, text says 'Kids benefit by developing a reading routine and receiving books and prizes based on pledges and reading time!'. At the bottom left is the 'USBORNE BOOKS & MORE Educational Services' logo. On the right, a young girl with long hair is sitting cross-legged on a dark suitcase, looking through binoculars. A tall stack of various children's books is next to her. The overall theme is reading and exploration.

April 8-19, 2019

Our spring Usborne Books and More reading incentive "Reach for the Stars" begins next week! Students will read or be read to for 300 minutes over a two week period and collect pledges to do so. 100% of money collected will go directly for quality educational books for SAA's classrooms and children.
